

Optima® Blue/Black PE/EPDM Suction Hose

Is designed to be used in liquid waste transfer and septic cleaning applications as the exposed helix allows the hose to slide easily over rough surfaces. The PE/EPDM blend allows for excellent flexibility even at low temperatures.

# Part Number	 Nom. ID	 Nom. OD	 Max. W.P.		 Vacuum Rating	 Min. Bend Radius	 Weight	 Length
	mm	mm	psi	bar	in/hg	mm	kg/m	m
28-38051	50.8	61.7	50	3.4	29.8	132	1.01	30.49
28-38064	63.5	76.2	50	3.4	29.8	142	1.33	30.49
28-38076	76.2	90.2	43	3.0	29.8	180	1.57	30.49
28-38102	101.6	117.3	38	2.6	29.8	279	2.70	30.49
28-38152	152.4	172.97	23	1.6	28.0	508	4.46	30.49

REINFORCEMENT: Blue rigid anti-shock PE

INNER TUBE: Black smooth PE/EPDM

COVER: Black corrugated PE/EPDM

TEMPERATURE: -20°C TO +60°C

SAFETY FACTOR: 3:1

ADVANTAGES:

- Heavy duty
- Light weight, durable and resistant to a various chemicals.
- Excellent flexibility even in colder environments
- Excellent resistance to ageing, atmospheric conditions and ozone
